

## Exhibition Form

Norfolk County does insure property of others while on display at any County location. There are a number of exclusions under the insurance policy that we require the owner of the property to know. Please read the following and complete the form located on the bottom of this page.

The insurance policy does not cover loss or damage:

- a. caused by deterioration, vermin or insects;
- b. to any property while undergoing any process or while being actually worked upon and where any loss or damage is due thereto;
- c. caused by a criminal or wilful act or omission of the insured or of any person whose property is insured hereunder;
- d. caused by war, invasion, act or foreign enemy, hostilities, civil war, rebellion, revolution, insurrection or military power;
- e. caused by contamination by radioactive material.

This coverage is on a value basis and would be settled only on the dollar amount that the property owner has listed below.
